Austria's first laundry with eco-label

SALESIANER is the first laundry to set an example for ecological awareness. The family business has been awarded the eco-label according to the UZ70 guideline on rental textile service for many of its plants.

Klimaaktiv and innovative

SALESIANER has been a project partner of the Austrian klimaaktiv programme since 2013 and has become a leading example in recent years. We have been awarded for several energy efficiency projects.

Award-winning sustainability report

SALESIANER published its first sustainability report back in 2016 and was honoured with the ASRA Award for exemplary reporting. The reports have been published annually since 2022 and define sustainability targets up to 2040/2050.

- ISO 9001
- ISO 13485
- ISO 14001
- EN 14065
- ISO 22000

Responsible quality management

Our integrated management systems comprise a large number of norms and standards and make a significant contribution to the company's success. In the area of sustainability, SALESIANER is certified with ISO 14001 Environmental Management Systems, ISO 50001 Energy Management Systems and ISO 45001 Occupational Health and Safety.

Photovoltaics - harnessing the power of the sun!

We have equipped the majority of our laundry buildings with solar panels in recent years. This has allowed us to generate around 4,300 MWh of green power from pure sunlight!

UN Global Compact

With over 25,000 participants from more than 170 countries, the UN Global Compact is the world's largest and most important network for responsible corporate governance. By participating, SALESIANER demonstrates its commitment to sustainable and ethical behaviour and contributes to a fairer and more sustainable economy on both a local and global level.

Committed to sustainability.
